COCA-COLA GIVE PROGRAM

Coca-Cola Give is a program that allows people to redeem their Coke codes to help local schools and other causes. Each code you enter gives the school or charity of your choice a donation worth between \$0.05 and \$0.38, depending on the product. While each code might not be worth much on its own, the micro-donations add up fast, given the number of people who consume Coke products. The codes can be found under the cap of individual bottles, on the cardboard box of 12-packs of cans (in the refrigerator boxes, the codes can be found on the part you tear away to get to the soda), and on multi-pack wraps. See the Coca-Cola website for a full list of participating brands and sizes. One of our parishioners has generously offered to donate her time to submit the product codes to support Resurrection Catholic School. A box for your Coca Cola bottle tops and cardboard box ends is placed on the table in the vestibule.
