“Well done, my good and faithful servant. Since you have been faithful in small matters, I will give you great responsibilities.” - Matthew 25:21

God calls us to nurture and develop the gifts He has given us and then generously return a portion with increase. He doesn't want us to waste or hoard the gifts He has given us. He expects us to grow our gifts, use them wisely and be generous with them. Unfortunately, many of us are not generous in proportion to all that God has given us.

RESURRECTION CATHOLIC HEALTH MINISTRY

NOVEMBER IS PREMATURE AWARENESS MONTH

Almost 1 of every 10 infants born in the United States are premature, or preemies. A premature birth is when a baby is born before 37 completed weeks of pregnancy. A full-term pregnancy is 40 weeks. Important growth and development happen throughout pregnancy - especially in the final months and weeks. Because they are born too early, preemies weigh much less than full-term babies. They may have health problems because their organs did not have enough time to develop. Preemies need special medical care in a neonatal intensive care unit, or NICU. They stay there until their organ systems can work on their own. Visit www.marchofdimes.org.

RESPECT LIFE

"We can't imagine loving a child whom we conceived more than we love Andrew. It is amazing how he fits our personalities so well.

Adopting Andrew has made us more aware of God's power and of his love for us. We realize that he always has a perfect plan for our lives."

~ USCCB Secretariat of Pro-Life Activities, "An Adoption Love Story."

We pray for married couples considering adoption. May the Holy Spirit guide their discernment, grant them peace, and bring fruition his holy will.
