“For where your treasure is, there also will your heart be.” Luke 12:34

Jesus encourages us to build up our treasure in heaven. The world encourages us to build up our treasure in real estate, investments, and material goods. How much time are you investing in building up a worldly treasure? How much time are you investing in building up a heavenly treasure? To invest more in the things of heaven, you must let go of some of the things of this world.

“Porque donde estén sus tesoros, allí estará su corazón» Lucas 12:34

Jesús nos anima a construir nuestros tesoros en el cielo. El mundo nos anima a construir nuestros tesoros en bienes raíces, inversiones y bienes materiales. ¿Cuánto tiempo invierte en construir su tesoro terrenal? ¿Cuánto tiempo invierte en construir su tesoro celestial? Para invertir más en las cosas del cielo, debe dejar ir algunas de las cosas de este mundo.

AUGUST

How we wish that the warmth of August could be stored in bottles to be poured out on the cooler temperatures to come later in the year! Still, there are many ways to appreciate the last of the summer heat while it is present. Keeping our bug repellent handy, we can enjoy outdoor activities with our school-age children while they are on holiday. Early morning or late evening walks, beach parties, cycling, theme parks, and barbecues with home-made ice cream at the end of the day come to mind.

Following are a few quotes for August as we get ready for the end of summer:

I love borders. August is the border between summer and autumn; it is the most beautiful month I know." —*Tove Jansson*

"It's part of the American experience: We deal with mosquitoes in August." —*Monica Hesse*

"August is a gentle reminder for not doing a single thing from your new year resolution for seven months and not doing it for next five." —*Crestless Wave*

"August is a great month in the garden, with many flowers, including dahlias, sunflowers and other hot-coloured blooms at their peak." —*BBC Gardeners' World Magazine*

"Everything good, everything magical happens between the months of June and August. Winters are simply a time to count the weeks until the next summer." —*Jenny Han*
